THE ART OF ENTRY

Modella Zero

**CRAFTING ENTRYWAYS TO STYLE,
SOPHISTICATION, AND INNOVATION.**

Our latest collection Modella Zero lush mounted entry doors embodies the essence of elegance, modern design and can be completely customized.

Available in both pivot and hinged versions, these entry doors provide unparalleled versatility in design and function. As masters of our craft, Arrivarri is dedicated to the proud tradition of European craftsmanship.

Our expertise in architectural design, material engineering, and cutting-edge technology converge to produce a singular product: the finest doors in the world.

World-Class *Design*

PUSHING THE LIMITS OF ENTRYWAY DESIGN.

Hand-finished by skilled European craftsmen, and fitted by certified installers, our doors combine design, technology and security into an uncompromising entryway experience.

Cutting-edge *Technology*

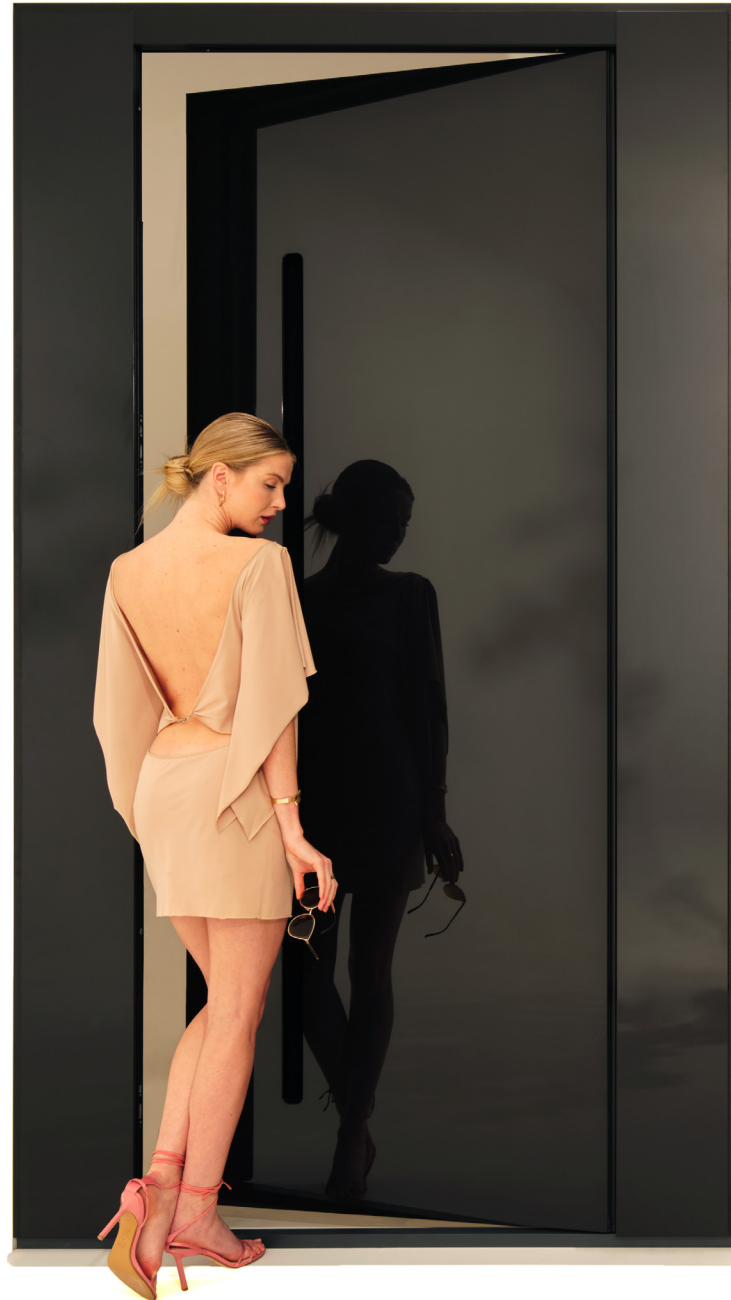

SMART HOME INTEGRATION & LED ELEGANCE—THE FUTURE OF ENTRY WAYS.

Integrate your entryway into a smart home system or download the app to enable access from anywhere in the world and illuminate your home with soft LED accents, offering safe passage and unmistakable, timeless style.

Uncompromising *Security*

REFLECTING UNCOMPROMISING CRAFTSMANSHIP IN EVERY DETAIL.

Designed and constructed to secure your home with reinforced framing, tempered architectural glass, airtight insulation, and smart lighting.

Where Elegance Meets Innovation

DISCOVER THE ZERO COLLECTION: THE FUTURE OF ENTRY WAYS.

Characterized by a wide frame on both sides of the door, the Zero Collection can create a monumental presence that commands attention. The recessed illuminated handle is a testament to this collection's essential concept, achieved through meticulous design and perfectly homogeneous finishing. With bespoke Zero Collection every detail can be customized to fit your specific tastes and architectural needs.

With a wide range of materials, finishes, and design possibilities, these doors offer the ultimate flexibility to create a statement that is uniquely yours. Experience the perfect blend of form and function with the Zero Collection, where elegance truly meets innovation.

Lumina

**THE PERFECT FUSION OF MINIMALISM
AND MODERN ELEGANCE**

Lumina, the recessed, illuminated handle is a masterpiece that blends seamlessly with the door's architecture, offering a sophisticated glow that elevates any entryway.

The harmonious fusion of light and lunar elegance defines the Lumina handle, making it a perfect addition to doors that seek to convey both style and functionality. Its unique recessed design ensures a sleek appearance, while the gentle illumination provides a touch of contemporary allure.

The Lumina handle stands as a testament to the Zero Collection's core philosophy—meticulous design and perfectly homogeneous finishing. This handle doesn't just enhance the aesthetic appeal of your door; it becomes an integral part of the architectural experience.

Experience the perfect blend of elegance and innovation with the Lumina handle, where light meets design to create an entryway that speaks of elegance and refinement.

The Magic of Technology

TRANSFORMING YOUR ENTRYWAY INTO A GATEWAY TO INNOVATION.

Discover the future of home entry with the Zero Collection, where cutting-edge technology meets elegant design. Our doors are engineered to seamlessly integrate with the most advanced smart home systems, transforming your entryway into a gateway to innovation.

EXPERIENCE THE SEAMLESS INTEGRATION:

Arrivarri Doors are designed to accommodate sophisticated smart home technology, allowing you to effortlessly control and monitor your home. From security

enhancements to automated access, our doors offer an unparalleled blend of functionality and style. With just a touch or voice command, experience the ultimate convenience and peace of mind.

EMBRACE THE MAGIC OF TECHNOLOGY:

The Zero Collection empowers you to connect with your home like never before. Our doors not only enhance the aesthetic appeal of your space but also bring a new level of intelligence to your living environment. Whether you're at home or away, stay connected with real-time updates and intuitive control.

Uncompromised Security

REDEFINING HOME SECURITY WITH UNCOMPROMISING PROTECTION.

Every aspect of an ARRIVARRI door's construction is meticulously crafted to offer superior protection, ensuring your peace of mind and safeguarding your sanctuary.

Zero collection is designed with reinforced framing, tempered architectural glass, Multi-point Locking System and airtight insulation, creating an impenetrable barrier against time, wear, the elements, and intruders. Each detail is engineered to withstand the challenges of modern living, ensuring that your home remains a fortress of security.

It isn't just about physical strength; it's about smart security. Equipped with

intelligent lighting and integrated with the latest security technology, our doors provide a proactive approach to home safety. Experience the confidence that comes with knowing you're protected by cutting-edge innovation.

At ARRIVARRI, we believe a door is not merely an entry point—it's a daily defining moment. It's a symbol of trust, strength, and elegance that transforms your home's facade into a statement of sophistication and security.

Elevate your home with the Zerrow Collection and embrace a new standard of uncompromised security.

Pivot Door

MODELA ZERO PORTA DI VETRO

Pivot Door

WHERE PIVOT DOORS ACHIEVE ULTIMATE SECURITY AND MINIMALISM.

Crafted to enhance the aesthetic appeal of any space, these doors offer highly secured entryways that combine cutting-edge technology with timeless sophistication.

The minimalist design of our pivot doors highlights the quality materials and craftsmanship, creating an elegant and refined appearance. Equipped with advanced pivot mechanisms, these doors maintain the highest quality standards, ensuring smooth operation and enduring durability.

Adding to their allure, the Lumina Handle exemplifies the ultimate in minimalist design and modern elegance. This recessed, illuminated handle seamlessly integrates with the door's architecture, casting a sophisticated glow that enhances any entryway.

Experience the blend of innovation and style with the Pivot Doors from the Zero Collection, where security meets elegance.

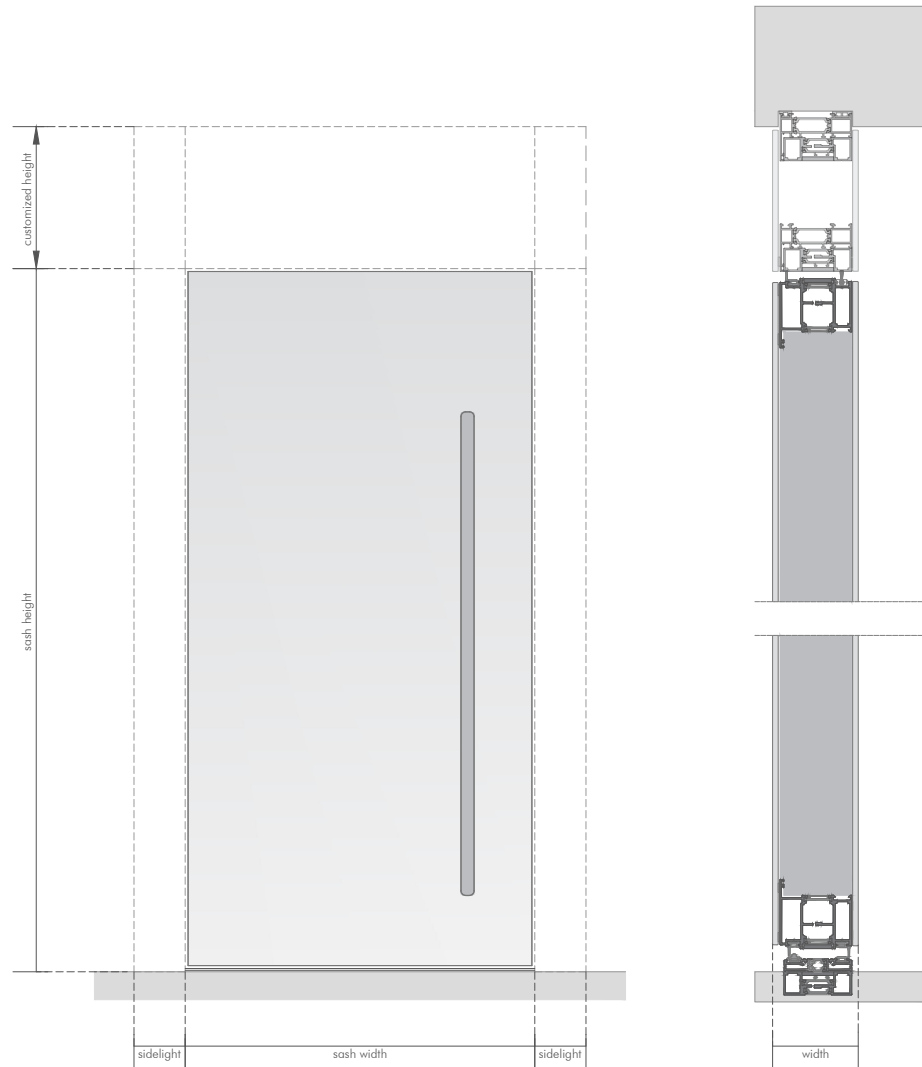

Technical Information

PIVOT DOOR

Frame Variants

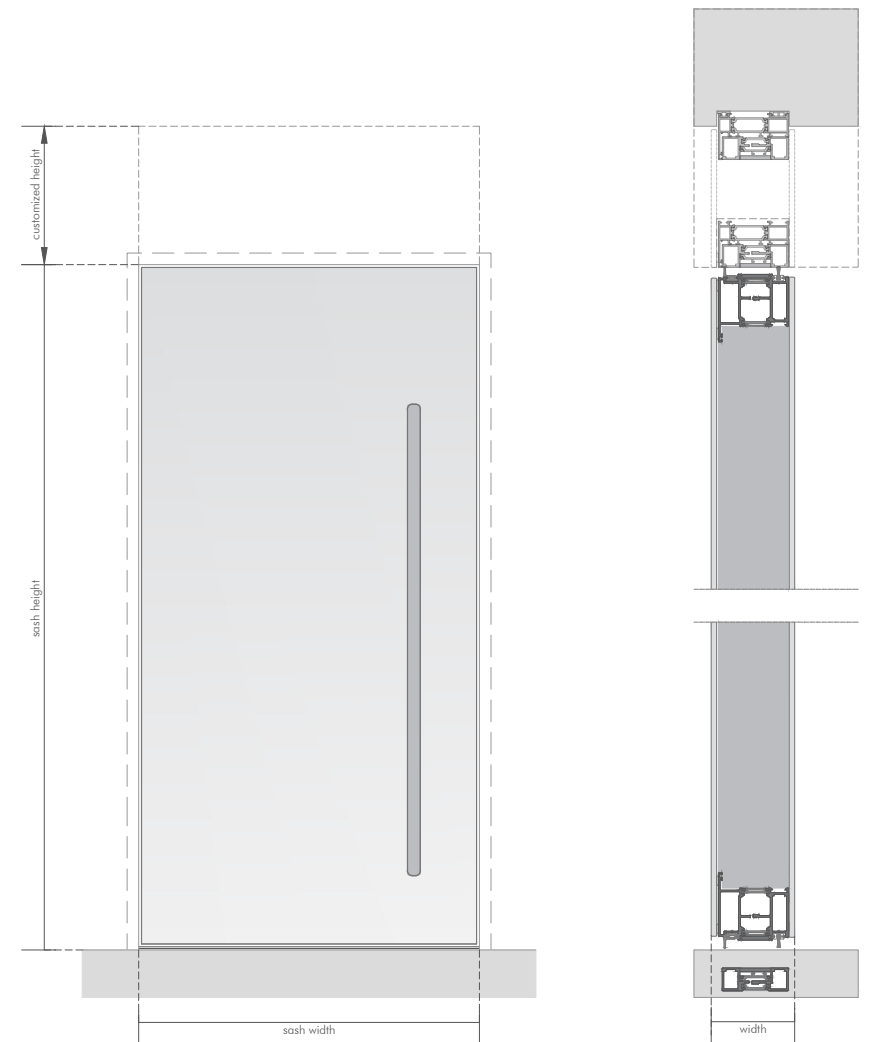

MONUMENTAL

The grandeur of the monumental frame adds a striking visual element to the entryway, making a bold statement that underscores the importance of the entrance. Its robust construction and refined design contribute to a powerful first impression.

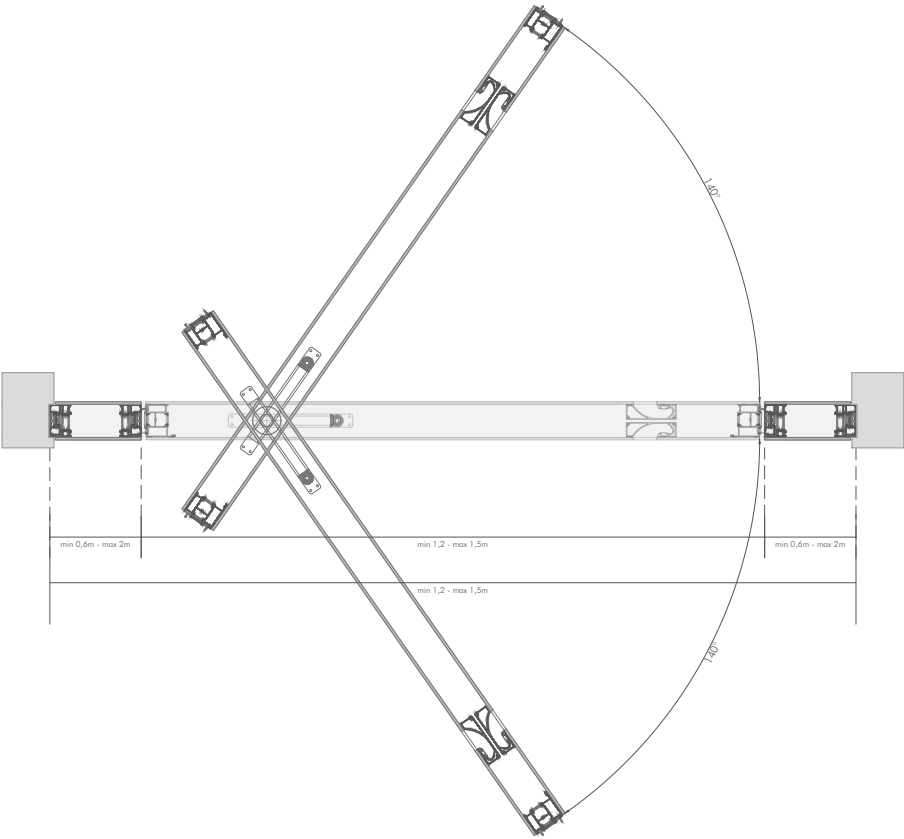

INVISIBLE

The invisible frame allows a sleek, uninterrupted appearance where the door blends seamlessly with the wall. This design creates a minimalist aesthetic, emphasizing clean lines and a modern look.

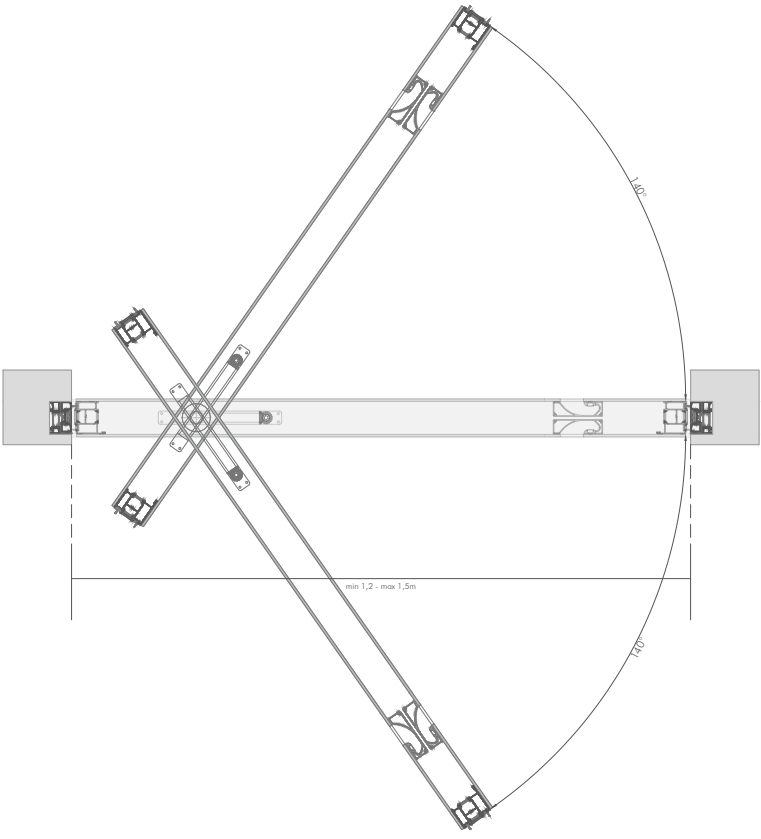

MONUMENTAL

Pivot doors with a monumental frame offer a sophisticated push and pull opening solution, combining architectural elegance with practical functionality. Doors are complemented by a soft-closing option that ensures a smooth and silent operation.

INVISIBLE

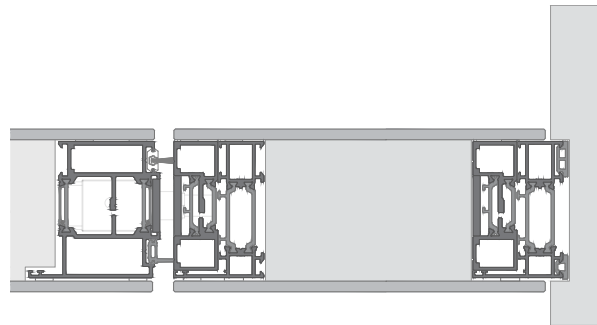

Pivot doors with invisible frame enhanced with push and pull opening providing a refined touch of elegance while maintaining a clean, uninterrupted aesthetic. The invisible frame creates a minimalist look, allowing the door to appear as if it's floating within the wall.

Wall Frame Variants

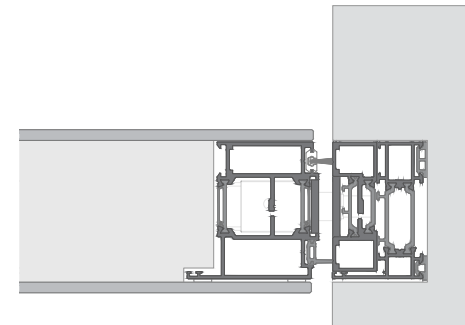

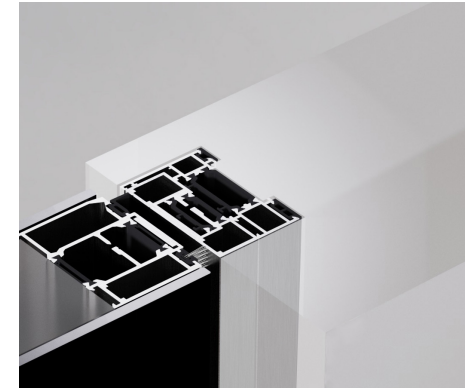

MONUMENTAL

The Monumental wall Frame adds a striking visual element to the entryway, making a bold statement that highlights the significance of the entrance. Its impressive design serves as a focal point, emphasizing the grandeur and importance of the space while enhancing the overall architectural impact.

INVISIBLE

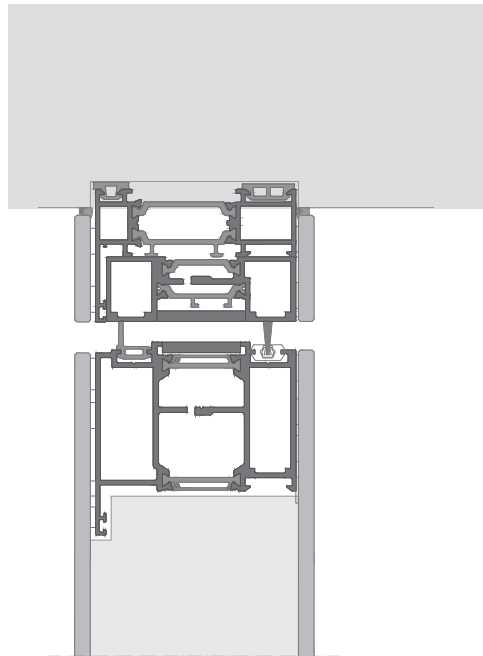

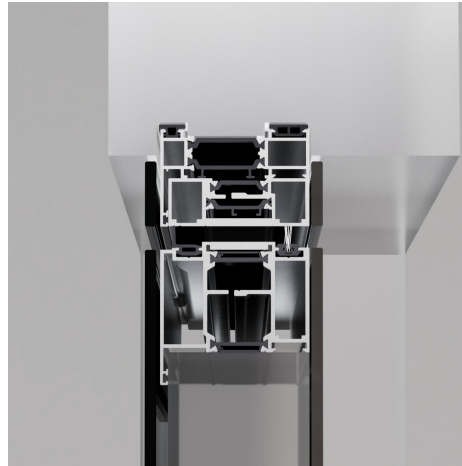

The Invisible wall Frame achieves an elegant, minimalist aesthetic by emphasizing clean lines and a modern look. It enhances spatial flow and visual harmony by eliminating visible hardware, creating a seamless transition between door and wall.

Ceiling Frame Variants

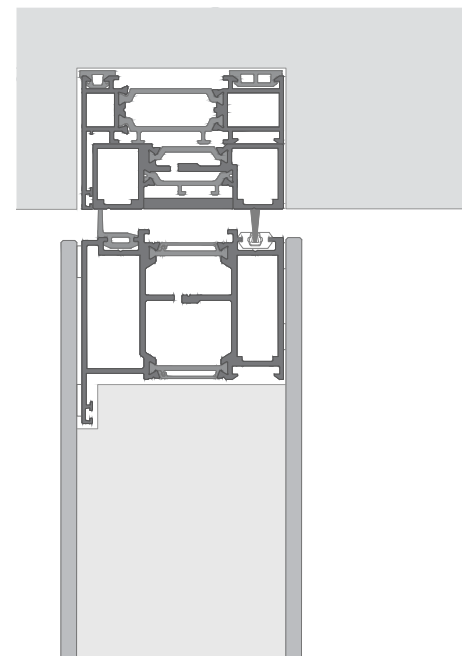

MONUMENTAL

The Monumental Ceiling Frame adds a striking visual element to the entryway, making a bold statement that highlights the significance of the entrance. Its impressive design serves as a focal point, emphasizing the grandeur and importance of the space while enhancing the overall architectural impact.

INVISIBLE

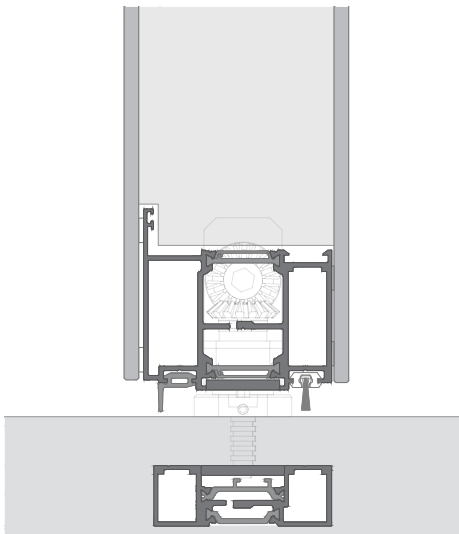

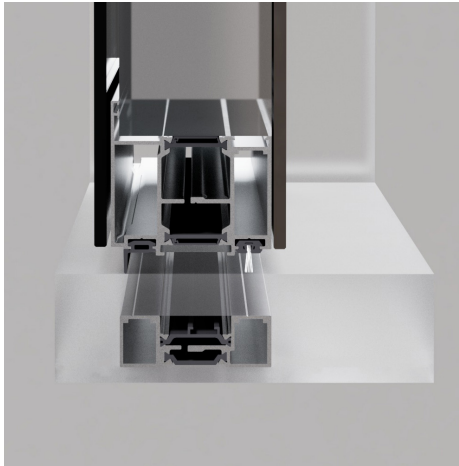

The Invisible ceiling Frame achieves an elegant, minimalist aesthetic by emphasizing clean lines and a modern look. It enhances spatial flow and visual harmony by eliminating visible hardware, creating a seamless transition between door and ceiling.

Threshold Variants

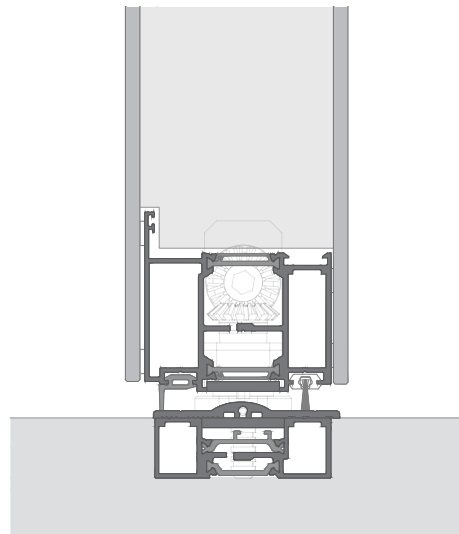

ZERO

The Zero variant is designed to be completely invisible, creating a minimalist aesthetic that emphasizes clean lines and a modern look. This option is ideal for contemporary architectural projects where a seamless, unobtrusive threshold is desired.

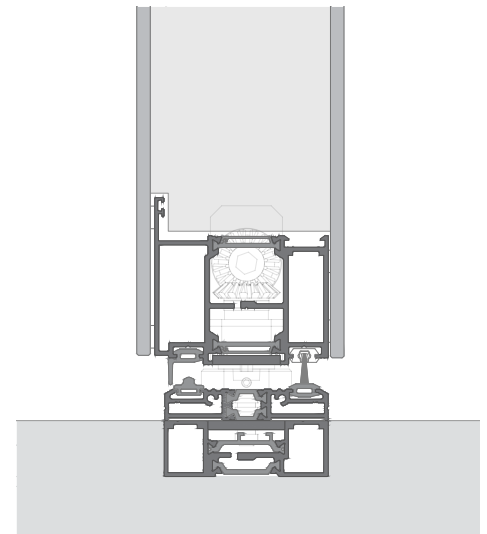

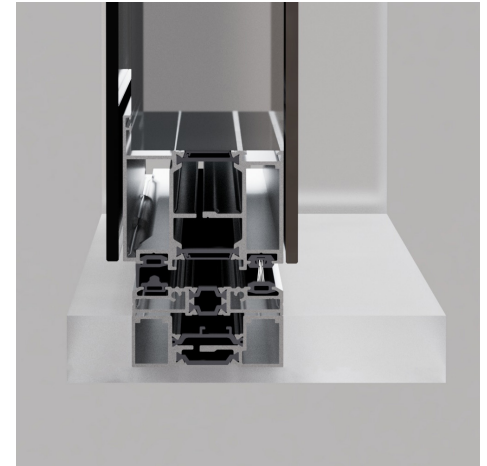

MIDIA

The Mida threshold provides a solid, robust option that excels in both performance and durability. Its design ensures excellent waterproofing, making it suitable for areas where weather resistance is needed without compromising on style.

ALTA

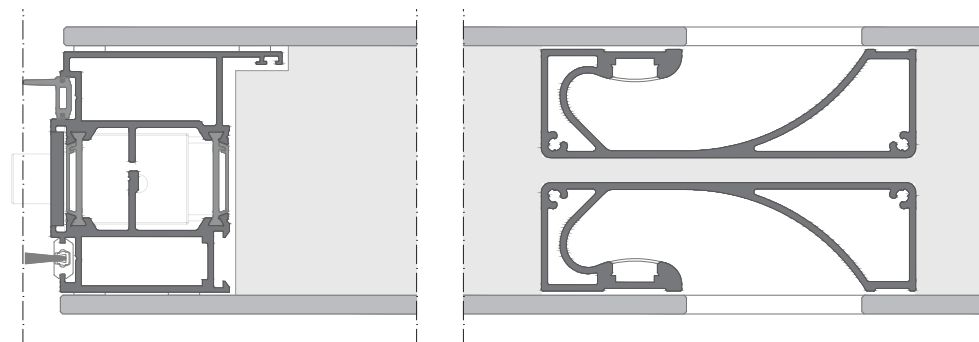

The Alta variant combines strength with superior water protection. This threshold is crafted to withstand harsh conditions while maintaining a sleek, sophisticated appearance. It's perfect for projects that require a high level of durability and effective waterproofing without sacrificing visual appeal.

Illuminated Recessed Handle

LUMINA

The Lumina handle from the Zero Collection embodies the ultimate combination of minimalist design and modern elegance. This recessed, illuminated handle is a masterpiece that blends seamlessly with the door's architecture, offering a sophisticated glow that elevates any entryway.

Hinged Door

MODELA ZERO PORTA DI VETRO

Hinged Door

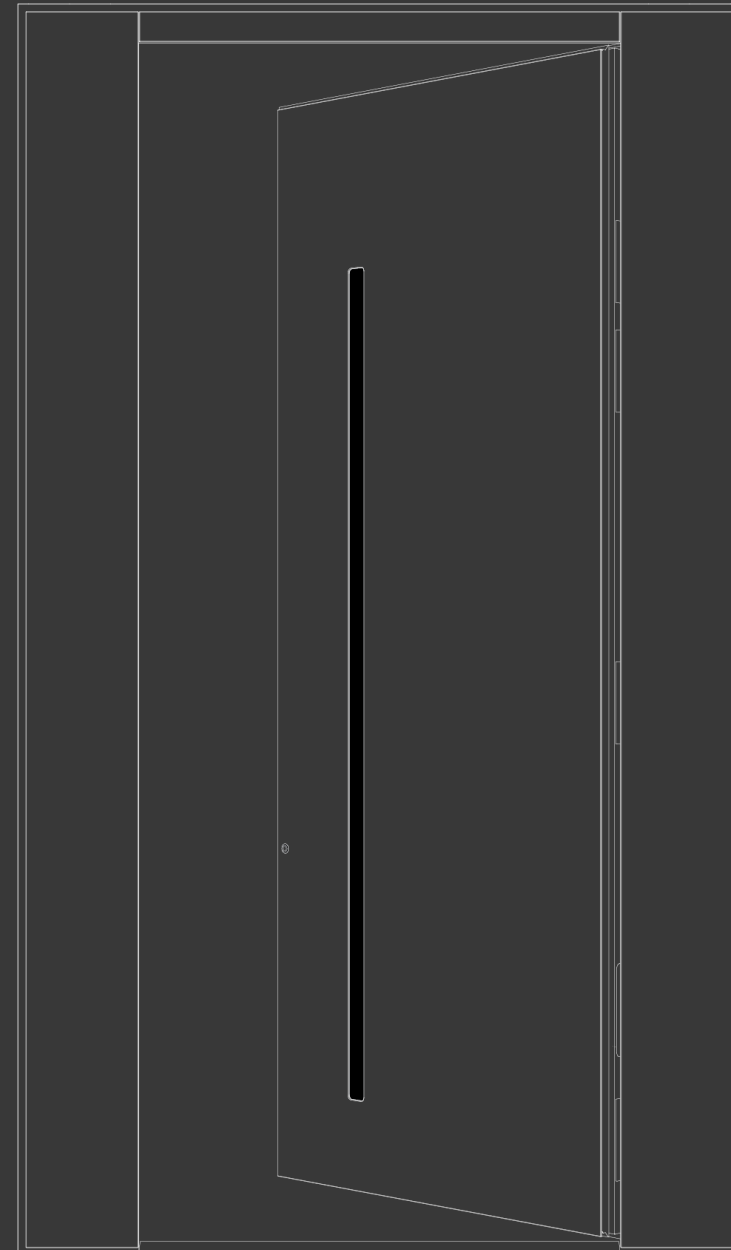

TIMELESS MASTERPIECE OF SECURITY AND CRAFTSMANSHIP.

Designed to enhance the aesthetic appeal of any space, the Zero collection offers highly secured entry doors that combine cutting-edge technology with timeless sophistication.

The minimalist design of our hinged doors highlights the quality materials and craftsmanship, creating an elegant and refined appearance. Equipped with the finest concealed hinges on the market, hinged doors maintain the highest quality standards, ensuring smooth operation and enduring durability.

Adding to its allure, the **LUMINA HANDLE** exemplifies the ultimate in minimalist design and modern elegance. This recessed, illuminated handle seamlessly integrates with the door's architecture, casting a sophisticated glow that enhances any entryway.

Experience the blend of innovation and style with the Hinged Door from Zero Collection, here security meets elegance.

The Precision of Concealed Hinges

DISCOVER THE BEAUTY AND PRECISION OF INVISIBLE HINGES.

Designed to offer the highest performance and reliability, these invisible hinges ensure a high load capacity while maintaining a sleek and minimalist appearance.

Top-quality hinges are fully adjustable in three axes, allowing for precise alignment and seamless integration within the door frame. Internally integrated, they offer an elegant solution that enhances the door's aesthetics without compromising on functionality.

Crafted to be corrosion-resistant and maintenance-free, these concealed hinges deliver enduring performance that withstands the test of time.

Experience the perfect blend of elegance and engineering with our concealed hinges, where design meets durability.

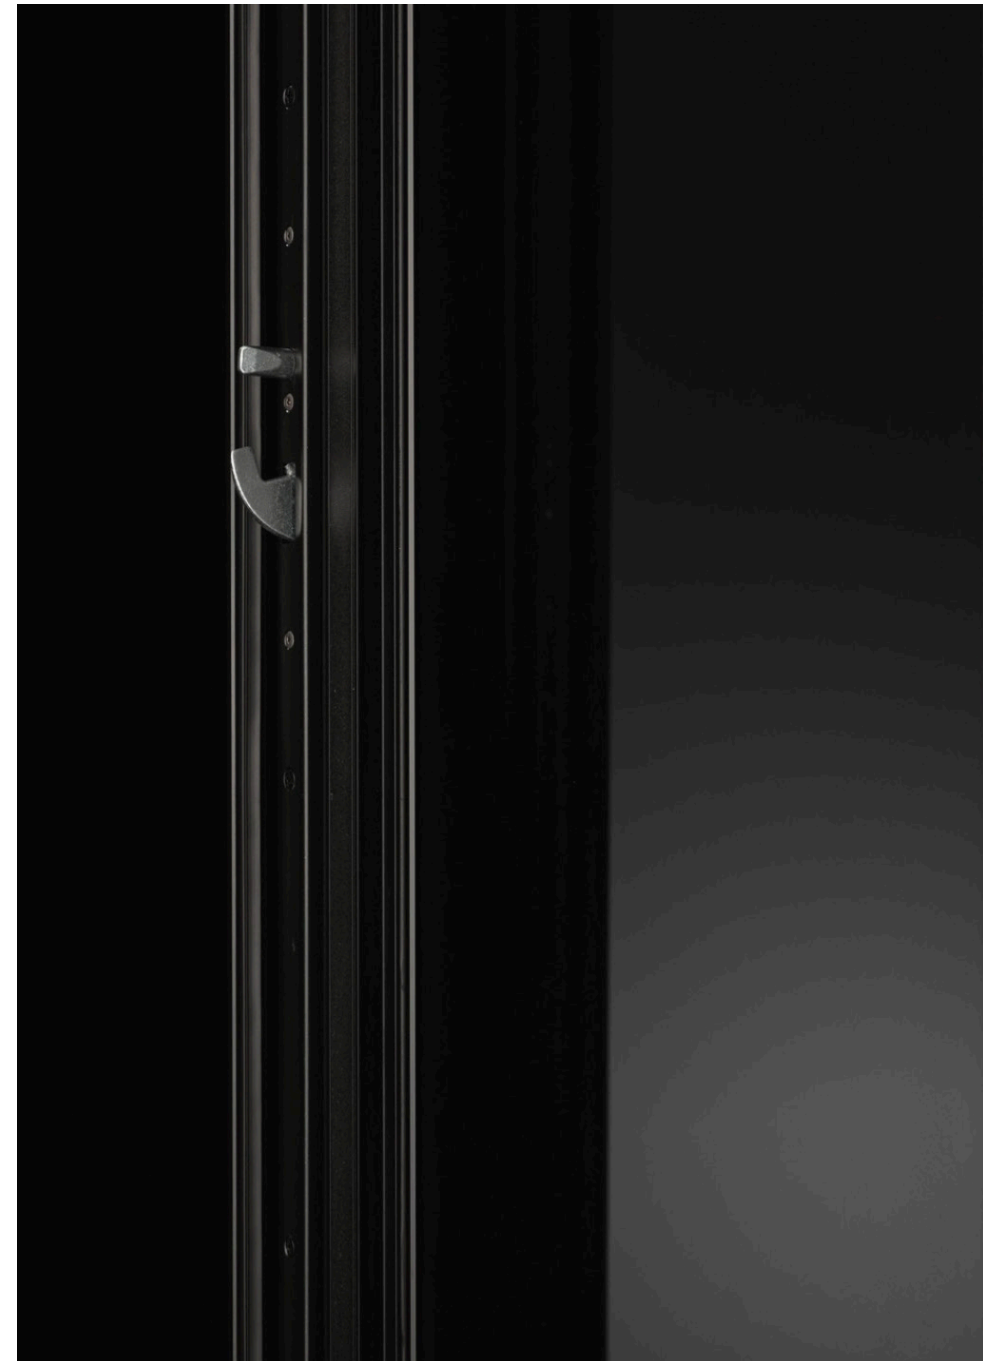

Multi Locking System

ADVANCED SECURITY WITH BESPOKE CUSTOM-BUILD DESIGN.

By securing the door at multiple points along the frame, this system enhances safety and durability while maintaining a clean, contemporary aesthetic.

Its discreet hardware integrates seamlessly with the door, providing robust protection without compromising on style.

Ideal for modern interiors, this locking solution ensures peace of mind and a sophisticated appearance, making it the perfect choice for discerning clients who value both form and function.
